Hi I am Solanki Ronak and I studied 2 years in Shri Sunshine Group of Institutions and I am very pleased to reply that the college life was awesome. The faculties are very helpful, thoroughly professional and very well educated. They were very supportive to us for the whole four semesters. The placement team of the SGI is also very committed and strives to provide good packages to the students. With this guidance I am placed in a very good company named NJ group of India with the average package of 6 lakh per annum. I am proud to be a part of sunshine college and I also recommend it to the other students. Thank you.

Hi I'm Dhaivat Kacha, I did my MBA from Sunshine Group of Institutions, Rajkot. As an MBA Finance graduate, I am thrilled to announce that I have secured a position at Axis Finance, a leading NBFC firm. This achievement would not have been possible without the continuous encouragement, training, and opportunities offered by the placement cell at SGI. Industry interactions, and mock interview sessions prepared me well for the challenges of the corporate world. Moreover, the personalized guidance and mentorship from the faculty and Placement team boosted my confidence and sharpened my skills, enabling me to excel in the recruitment process.

Once again, thank you for your dedication and commitment to shaping our future. I am proud to be an alumnus of SGI and look forward to making significant contributions to the college, organization and the society.
