Message from Chairman

**Mr. Meenesh Mathur
(Ex Naval Officer)**

It is the vision and mission viewed proper for me to extol the achievements of this institute, lest be considered presumptuous. However, I am not exaggerating but feel really proud of what we have been able to do since our inception when we commenced our MBA & MCA programs in June 2009. We strongly believe in the philosophy of quality education in management and technical field and for the same providing best faculty resources are in the first and foremost requirements.

We are on a constant splurge to excel in knowledge, skills, creativity, personality development & ethical values. We are proud to mention that we have overall faculty strength of well qualified and experienced faculty members in both the domains of Management and Computer Applications. The Institute has been adopted new innovative systems for pragmatic orientation of the students to groom them to face the competition in corporate world. As being an autonomous institute SGI is able to remain academically close aligned to dynamic needs of the fast globalizing Indian economy. With whole heartedly, I would like to intend my warm welcome to new student's fraternity & hope that they will fulfill the vision, achieve the mission and they will carry forward the basic norms & values of SGI. We wish all the best to colleagues, friends, students & everybody else who have been with us in our long journey towards center of excellence.
